

## Welcome to TriBeta!

Thank you for stepping into the role of Chapter Advisor for the TriBeta chapter at your school. The main action needed is for you to recruit new members, upload eligible student's contact information, and send out the email invitations through the My Honor Society portal. Membership dues will be collected from each student through the online portal, so you do not need to collect national membership dues. Once the membership acceptance period is over, the National Office will process the paid memberships and mail the membership materials to you directly at your campus shipping address.

### A few helpful links:

Member Eligibility/Requirements: <https://www.tribeta.org/membership>

Registration Instructions: <https://www.tribeta.org/register>

New Chapter Advisor Overview: <https://www.tribeta.org/new-chapter-advisor>

For the recruitment of new members, we can provide you with TriBeta informational brochures as well as printed membership invitation cards. Please submit a Freebie Request Form here: <https://www.tribeta.org/freebies>.

We try to put as many files, documents, and information on our website as possible. The Forms/Files page is a great resource: <https://www.tribeta.org/forms-files>.

Feel free to call or email the national office with any questions. We are eager to assist in the growth of your chapter!

Iris Daly

Executive Director
